# OSHC/ VACATION CARE INFORMATION

It is imperative you do not send your children to the Discovery Kids during OSHC or Vacation Care if they are:

- a) Unwell- flu like symptoms
- b) Have been in contact with anyone who has arrived from over seas
- c) Have been in contact with anyone who has tested positive to COVID-19
- d) Returned to Australia from overseas

The centre will be disinfected before, during and after the session.

We will continue to be rigorous with hand washing, encouraging children to wash their hands before meal times, visiting the toilets and after playing outside.

At this time there will be no excursions or incursions, our decision was based on what is in the best interest of the children and our staff.

Hand sanitiser/disinfectant will be provided by the iPad to assist with hygiene when signing in and out. Please continue to follow the drop off and pick up procedure until further notice.

We thank you for your support and cooperation.
